Subject: Name New Park in Tribute To Officer Larry Lasater

Dear Commission Members and City Officials,

I never had the opportunity to know officer Larry Lasater. But I don't ever want to forget him, and I don't want Pittsburg to forget him either.

A beautiful new Park is starting to take shape in the San Marco development adjacent to the Delta View Elementary School. As a tribute to Pittsburg's fallen Police hero Larry Lasater, the OakHills Community Group by unanimous consensus would like to propose that our new park be named: Larry Elwood Lasater Park. Further, we propose some suitable permanent monument to honor him be dedicated onsite.

Naming the park after Officer Lasater will honor Larry's ultimate sacrifice and heroism in the face of mortal danger. Naming the Park after Officer Lasater will remind our children at Delta View Elementary of the sacrifice that dedicated members of the community who are First Responders make to keep us all safe. Naming the park after Officer Lasater will also serve as gratitude from the Pittsburg Citizenry to Officer Lasater's Family and our Pittsburg Police Department.

In conclusion we hope that our new park will soon carry the distinction of honoring Pittsburg Police Officer Larry Lasater.
